ALEXANDER

Rodolfo Dordoni design

UN SISTEMA DI SEDUTE CON DIVERSE MORFOLOGIE
A SEATING SYSTEM WITH A DYNAMIC MORPHOLOGY

Ispirato a concetti razionalisti e contemporanei, Alexander è un sistema di sedute con diverse morfologie abbinabili tra loro. In una stessa composizione si possono utilizzare elementi squadrati ed elementi curvi per creare angoli raccolti e avvolgenti. Grazie ai diversi moduli combinabili tra loro si ottengono configurazioni a "L" dalla perfetta geometria o versioni lineari che possono evolvere in profili sinuosi proprio grazie agli originali elementi curvi Alexander "Drop", come la chaise-longue o gli elementi terminali con angolo arrotondato.

Inspired by rationalist and contemporary concepts, Alexander is a seating system with different forms that can be combined with each other. Squared and curved elements can be used together in the same composition to create areas with an intimate and enveloping atmosphere. The various modular elements allow for a wide range of arrangements, from L-shaped configurations characterised by the perfect geometry to linear interpretations that can evolve into sinuous profiles thanks to the original Alexander "Drop" curved elements, such as the chaise-longue or the rounded corner elements.

Alexander, inspiriert von rationalistischen, zeitgemäßen Konzepten, bietet ein Sitzprogramm mit verschiedenen Morphologien, die untereinander kombiniert werden können. In derselben Komposition können eckige und gebogene Elemente verwendet werden, um gemütliche, stimmungsvolle Zonen zu schaffen. Mit den zusammenpassenden Modulen können perfekt geometrische Kompositionen in "L"-Form gebildet werden, oder lineare Versionen, die sich in fließende Formen auflösen, dank der originellen, gebogenen Elemente Alexander "Drop", wie die Chaise-longue oder die Endelemente mit abgerundeten Ecken.

Inspiré de concepts rationalistes et contemporains, Alexander est un système de sièges de différentes formes, carrées et courbées, pouvant être combinées les unes avec les autres pour créer des îlots à l'atmosphère intime et enveloppante. Les différents éléments modulables permettent une large gamme d'arrangements: en forme de L pour une géométrie rigoureuse ou en ligne droite terminée par une courbe sinueuse grâce aux éléments incurvés Alexander "Drop", tels que la chaise-longue et les éléments d'angle arrondis.

BRACCIOLI E SCHIENALI
ARMRESTS AND BACKRESTS

I moduli possono avere schienali/braccioli alti, bassi o entrambi, contribuendo alla versatilità del sistema. Gli elementi con gli schienali/braccioli alti disegnano punti alcova, creando angoli di intimità, dove accomodarsi come in un nido di grande comfort per leggere o guardare la tv, e si congiungono a elementi con schienali/braccioli più bassi, concepiti per non ostruire la vista sullo spazio circostante.

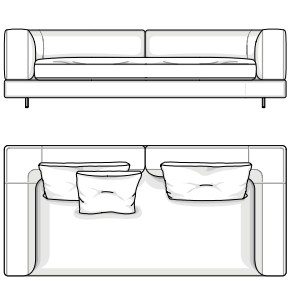

The modules can have high or low back- and armrests, or a combination of both, contributing to the versatility of the system. The pieces with higher back- and armrests design alcove points, creating corners of intimacy, where to sit as in a nest of great comfort to read or watch TV. Instead, the elements with lower back- and armrests are designed not to obstruct the view of the surrounding space.

Die Module können hohe oder niedrige Rücken- und Armlehnen haben oder beide, so dass das System extrem vielseitig wird. Die Elemente mit hoher Rücken- und Armlehnen bilden kleine, alkovenartige Nischen, intime Zonen, wo man sich, wie in ein gemütliches Nest zum Lesen oder Fernsehen zurückziehen kann. Sie lassen sich mit Elementen mit niedrigerer Rücken- und Armlehnen verbinden, die den Blick auf den umgebenden Raum frei lassen.

Chaque module peut être agrémenté d'un dossier/accoudoir haut ou bas, ou une combinaison des deux, ce qui contribue à la versatilité du système. Les éléments au haut dossier/accoudoir permettent de créer des espaces intimes en alcôve où se lover comme dans un nid très confortable pour lire ou regarder la télévision. Les dossier/accoudoir bas quant à eux permettent de ne pas obstruer la vue sur l'espace environnant.

DETTAGLI SARTORIALI
SARTORIAL DETAILS

Alexander è connotato dai dettagli sartoriali dati dalle cuciture sull'angolo del divano e sullo schienale/bracciolo alto e dalla cucitura centrale posta sui cuscini schienale.
La base è costituita da barre in alluminio color Bronzo e mantiene gli elementi sollevati da terra, conferendo così leggerezza ai volumi sospesi.

Alexander is characterised by the sartorial details of the seams on the corner of the sofa and on the high back/armrest and by the central seam placed on the back cushions.
The base is made of Bronze-coloured aluminium bars and keeps the elements raised from the ground, thus conveying a sense of lightness to the suspended volumes.

Alexander zeichnet sich durch die schneiderischen Details der Nähte an der Ecke des Sofas aus, an der hohen Rücken-/Armlehne und auf der Mitte der Rückenkissen.
Die Basis besteht aus bronzefarbigen Aluminiumstangen, die die Elemente vom Boden abheben und so den Volumen schwebende Leichtheit verleihen.

Alexander est défini par ses détails empruntés au monde de la mode: les coutures sur le coin du canapé et sur le haut dossier/accoudoir et la couture centrale sur les coussins de dussier.
Le piètement est fait de barres en aluminium de couleur Bronze qui gardent les éléments soulevés du sol donnant une impression de légèreté aux volumes suspendus.

ALEXANDER seating system

Rodolfo Dordoni design

Struttura: in legno massello con molleggio garantito da cinghie elastiche ad alta componente di caucciù. Preparazione della struttura sedile in poliuretano espanso a quote differenziate ad alta densità. Elementi schienale/bracciolo preparati in poliuretano espanso a quote differenziate ad alta densità.
Cuscinatura: imbottitura cuscini schienale in piuma d'oca canalizzata (certificata Assopiuma, Etichetta Oro) con inserto portante in Memory Foam. Cuscini sedile con imbottitura in piuma d'oca canalizzata (certificata Assopiuma, Etichetta Oro) e inserto centrale in poliuretano espanso a quote differenziate ad alta resilienza rivestito da un ulteriore strato di Memory Foam.
Sfoderabilità: cuscini sedile e schienale completamente sfoderabili in tutte le versioni (tessuto e pelle). Rivestimento della struttura in tessuto o pelle sfoderabile; la fodera che riveste la struttura con schienale HIGH riporta una cerniera in prossimità della cucitura posta nella parte alta dello schienale al fine di facilitarne la sfoderabilità.
Basi: portanti in estruso di alluminio verniciato lucido anti-touch color Bronzo e successiva applicazione di vernice protettiva antiurto.
Scivolanti in nylon.
Per facilitare la sfoderabilità, gli elementi schienale/bracciolo sono facilmente sfilabili dalle loro sedi agendo sulle apposite manopole poste nella parte sottostante i divani.
POGGIATESTA
Realizzato con una struttura interna rigida ma flessibile, può essere facilmente collocato tra schienale e cuscini per garantire il giusto supporto.
La fodera del cuscino può essere realizzata a scelta nei tessuti o pelli a campionario.
Completamente sfoderabile.

Structure: solid wood with suspension provided by high-rubber-content elastic webbing. The seat structure is coated in high resilience variable density polyurethane foam. Backrest/armrest elements coated in high resilience variable density polyurethane foam.
Cushions: backrest cushions have channeled goose down padding (Assopiuma certified, Gold Label) with core insert in Memory Foam. Seat cushions are made with channeled goose down padding (Assopiuma certified, Gold Label) and core insert of high resilience, variable density polyurethane foam wrapped in a layer of Memory Foam.
Covers: seat and backrest cushion covers are completely removable in all versions (fabric and leather). The fabric or leather covers on the structure are removable; the lining covering the HIGH backrest structure has a zipper opening located near the stitching detail on the back to facilitate the removile of the cover.
Bases: weight-bearing parts in extruded aluminum with a polished anti-fingerprint Bronze varnished colour and finished with a protective, impact-resistant top coat.
Nylon slides.
To facilitate removal of the coverings, the backrest/armrest elements can easily be lifted out by releasing the levers located underneath the sofa.
HEADREST
Crafted with an inner structure that is rigid but flexible, it can easily be positioned between the backrest and the cushions to ensure just the right support.
The cushion cover can be supplied in the fabrics or types of leather available in the pattern book.
Removable covers.

Gestell: Massivholz mit Federung durch elastische Gurte mit hohem Kautschukinhalt.
Aufbereitung des Sitzgestells mit unterschiedlich dick geschäumtem, hochdichtem Polyurethan. Rücken-/Armlehnen mit unterschiedlich dick geschäumtem, hochdichtem Polyurethan aufbereitet.
Kissen: Polsterung des Rückenkissens aus kanalisierten Gänsedaunen (Gold Label, zertifiziert von Assopiuma) mit verstärkter Einlage aus Memory Foam.
Sitzkissen mit Polsterung aus kanalisierten Gänsedaunen (Gold Label, zertifiziert von Assopiuma) mit zentraler Einlage aus unterschiedlich dick geschäumtem, hochdichtem Polyurethan, bezogen mit einer weiteren Schicht aus Memory Foam.
Abziehbarkeit: Sitz- und Rückenkissen vollkommen abziehbar bei allen Modellen (Stoff und Leder). Bezug der Struktur aus Stoff oder Leder abziehbar; der Bezug der Struktur bei dem Modell mit der Rückenlehne HIGH besitzt einen Reißverschluss auf der Rueckenlehne nahe der Naht, um das Abziehen zu erleichtern.
Basis: Tragende Strukturen aus Aluminiumstrangguss, glänzend mit Anti-Fingerprint Beschichtung, bronzefarbig lackiert und dann mit stoßfestem Schutzlack überzogen.
Gleitschutz aus Nylon.
Zur Erleichterung des Abziehens, können die Seiten- und Rückenteile einfach entfernt werden mit Hilfe der dazu vorgesehenen Hebel am unteren Teil der Sofas.
KOPSTÜTZE
Die interne Struktur ist nicht zu weich, aber flexibel, und sie kann ganz einfach zwischen der Rückenlehne und den Kissen angebracht werden, um den rechten Halt zu garantieren.
Der Kissenbezug kann aus den Stoffen oder dem Leder, die in der Musterkollektion zur Auswahl stehen, gefertigt werden.
Bezug abziehbar.

Structure : en massif bois, suspension assurée par des sangles élastiques à haute teneur en caoutchouc. Structure d'assise en polyuréthane expansé à densité différenciée et haute densité. Éléments dossier/accoudoir préparés en polyuréthane expansé à densité différenciée et haute densité.
Coussins : rembourrage des coussins de dossier en plume d'oie canalisée (certifiée Assopiuma, Étiquette Or) avec insert porteur à mémoire de forme (Memory Foam).
Coussins d'assise avec rembourrage en plume d'oie canalisée (certifiée Assopiuma, Étiquette Or) et insert central en polyuréthane expansé à densité différenciée et haute résilience, recouvert d'une couche supplémentaire de mousse à mémoire de forme.
Déhoussage : coussins d'assise et de dossier entièrement déhoussables dans toutes les versions (tissu et cuir).
Revêtement de la structure en tissu ou en cuir déhoussable ; la housse qui recouvre la structure avec dossier HIGH, est dotée d'une fermeture à glissière qui est posée dans la partie haute du dossier pour faciliter le déhoussage.
Bases : porteuses en aluminium extrudé peinture brillante anti-trace couleur Bronze, avec application ultérieure d'un vernis protecteur anti-chocs.
Patins en nylon.
Pour faciliter le déhoussage, les éléments dossier/accoudoir peuvent être facilement retirés de leur logement en tournant les poignées situées sous le canapé.
APPUI-TÊTE
Réalisé avec une structure interne rigide mais flexible, il peut être facilement placé entre le dossier et les coussins afin de garantir un bon support.
La doublure du coussin peut être réalisée au choix parmi la gamme de tissus et cuirs sur catalogue.
Revêtement déhoussable.
