

Tobi-Ishi

SMALL TABLES

2014

Edward Barber & Jay Osgerby

Description

Tobi-Ishi is a sculptural low table echoing the explicit Zen inspiration of the iconic dining table of the same series. The name itself is a reference to the polished stones (tobi-ishi) used ornamentally in traditional Japanese gardens. It is available in wood, marble or matt and glossy lacquering in a wide range of colours.

Technical information
