Chaise-longue

ONDA

DESCRIPTION

The Onda chaise-longue takes inspiration from the Morfeo bed: both ranges were born from the idea of a folded paper sheet, creating a sinuous silhouette made with a unique piece. The frame of the chaise-longue is made with solid wood, while the central part is covered with different materials depending on the version. Onda is equipped with a thin mattress and a movable cushion upholstered with fabric, in a color matching the main material of the structure. The range is available also in the same finishes of the Morfeo bed, to create a complete bedroom set. Onda can be selected with or without armrests. MADE IN ITALY.
