

 ARMANI / CASA

OMBRA

Decorative screen

OMBRA

DESCRIPTION

The Ombra screen features four panels. The lower part of each panels is empty, giving this decorative piece a lighter look. Ombra is available in two versions, the first with rotating panels showing fabric on one side and a mirror on the other, and the second with fixed fabric-covered panels. The options with mirrors presents a main structure in metal, conceived to counterbalance the weight of the glass and hence increasing the stability of the screen.

MADE IN ITALY

TECHNICAL INFORMATION

Structure

Inner panels in solid balsa wood; outer panels in wood particles padded with rubber and covered with fabric, with wood or metal frames.

Frame

Satin finished steel with galvanic treatment or solid walnut (*Juglans nigra*).

Finishing and painting cycle

Walnut (*Juglans nigra*) treated with water dye; solvent shading, matt polyurethane.

Glues

Vynil and urea glues.

Maintenance and disposal

Product designed for indoor use. Make sure that the surface does not stay in contact with water or other liquids, even for short periods. The product is made with finishes subject to deterioration if treated with unsuitable substances. Always use neutral and creamy cleaning solutions without alcohol or acids. Never use steel wool or abrasive sponges but a soft wet cloth. Dry thoroughly after each cleaning. The replacement of damaged parts must be done only with original pieces: in this case, please contact an official Armani/Casa dealer for assistance. At the end of its useful life, the product must be returned to an authorized collection center for disposal.
