OUR STORY

Boca do Lobo was founded in 2005, and early-on committed to reinterpret ancient techniques of fine craftsmanship to create unexpected pieces of contemporary design.

Since the pioneering SOHO collecting, presented in London, one of the world's leading design capital, Boca do Lobo has flourished unveiling ground-breaking furniture pieces, highlighted for their irreverent design and clash of materials and technique has been at the core of the brand's design mission.

Each creation carries the legacy of centuries of finest craftsmanship. In the workshops, talented artisans challenge and combine traditional manufacturing techniques with the latest technological methods to shape the finest materials into remarkable furniture, upholstery and lighting pieces, which gives rise to timeless cosmopolitan environments. The collections are inspired and accurately handcrafted in Portugal with attention to detail, passion for beauty and the pure dedication of skilled craftsmen and craftswomen.

The greatest design and lifestyle publications such as Architectural Digest editions, Designboom, Wallpaper*, ELLE Décor, LUXE Interiors+Design, How to Spend It or Le Monde, have featured Boca do Lobo artistic creations as a trend to follow.

Boca do Lobo has always been fascinated by the unexpected. Deeply connected with the Portuguese legacy, the brand seeks innovation, being able to deliver an unparalleled experience and fulfil the most demanding art and design lovers' desires and needs.

The restoration of the antique arts of manual work, honouring the art of hand painted tiles, marquetry, joinery, upholstery and metalwork.

”
