

GAUDÍ
SUN LOUNGER
OUTDOOR
design Matteo Nunziati
2022

Outdoor lounge that revisits the classical shape and performance of the sun lounge in an elegant and stylish light.

The frame is stainless steel coated with white epoxy powder paint, with luxurious visible details on the headboard and the front feet in iroko wood available with three finishes: natural, grey-stained or coffee-brown. The base is fitted with water-repellent elastic straps and a manually reclinable backrest, and is completed with a self-draining, non-deformable and single-density mattress, with removable cover selected from the Flou outdoor upholstery fabric collection or compatible outdoor fabrics provided by the Client. The posterior portion is fitted with one-directional wheels in thermoplastic material, to facilitate moving the lounge from one place to another.

A cover in waterproof and breathable polyester fabric allows the sun lounge to be kept in good conditions when not in use and it protects it from atmospheric agents and from the effects of sunlight.
