JULIETTE

SOFAS AND ARMCHAIRS | Indoor
CHRISTOPHE DELCOURT

The Juliette sofa, designed by Christophe Delcourt for Baxter, redefines the living experience through extreme modularity and architectural rigor. Like a tailored garment structuring the silhouette through the combination of different materials, Juliette is reinterpreted with a new interior design that enhances its form. Leather detailing embellishes the structure, where the base, belt, and backrest highlight curves, edges, and volumes. In a continuous dialogue between leather and fabric, the materials complement each other, offering infinite customization possibilities and a tactile sophistication that transforms any space into an oasis of well-being. Whether transformed into a convivial seat, a cozy chaise longue, or an inviting pouf, Juliette remains a modular, double-sided piece designed to be admired from every angle.

Model: modular article.
Structure: structure in fir plywood.
Padding / Filling: padding in differentiated density polyurethane foam with acrylic fibre cover.
Spring system: steel block spring system to guarantee comfort and prevent deformation of the seat.
cushions: seat cushions in washed and sterilised goose down with differentiated density polyurethane foam insert.
Feet / Legs: feet in matt black stained beech.
Decoration: decorative piping.
