

Tètra

Designer: **Mauro Lipparini**

The Tètra seating system is the ultimate expression of an aesthetic spirit, with their contemporary design and evergreen detailing. The collection of soft furniture features rectangular, pentagonal and irregular-shaped elements which can be easily combined without limits, forming geometric shapes befitting the name of the

collection. The backrests - with their simple shaping - are perched atop the islands, making for a sofa that feels like a celebration of freedom, movement and new interpretations of aesthetics and comfort: Tètra is a sofa which can perfectly adapt to different functional and stylistic needs without losing its strong personality.
