

GINEVRA

SOFAS AND ARMCHAIRS | Indoor
PAOLA NAVONE

The Ginevra armchair by Paola Navone reinterprets the classic bergère, transforming it into a contemporary refuge of pure comfort. A soft architecture of skilfully orchestrated cushions creates a seating experience that embraces and supports with extraordinary naturalness. Baxter leather, chosen for its exceptional lightness and flexibility, reveals a natural elegance that adapts effortlessly to form, creating a landscape of waves and folds that speak to the authenticity of the material. _x000D_ Every detail reflects a liberation from formal constraints: the swivel base brings dynamism to the seating experience, while the matching pouffe completes this oasis of relaxation. Ginevra is not simply a designer armchair: it is a daily invitation to rediscover the pleasure of surrender. A distinctive element that enhances any contemporary interior with its welcoming presence.

Structure: structure in fir plywood.

Padding / Filling: padding in polyurethane foam with varying densities, microfibre padding with independent channel filling of different capacities, with an acrylic fibre coating.

Spring system: springs in woven elastic straps of covered rubber.

Feet / Legs: matt black varnished metal swivel base.

Available only in soft leathers and a unique kind of leather and colour.

Armchair with swivel base.
