Sofas & Armchairs / Armchairs / Joie de Vivre / 2025

Born from the imagination of [Romeo Sozzi](#), Ginette is a carefree armchair that tells playful, joyful stories of charm. Its solid oak armrests are shaped by curves and geometries that embrace the soft seat, as if suspended in air. With its light and modern aesthetic, the Ginette armchair is perfect for a living room, an entryway, or a cozy conversation corner.
