Sofas & Armchairs / Armchairs / Joie de Vivre / 2025

With its defined yet effortlessly fluid rectangular silhouette, the Karl armchair embodies an aesthetic of balance and personality. Designed by [Romeo Sozzi](#), the armchair and footstool are the perfect match to complete the modular sofa introduced last year in Promemoria Collections. Minimal in design yet rich in character, Karl enhances both classic and contemporary interiors—whether in living rooms, open lounge areas, or intimate reading corners.
