GINEVRA

SOFAS AND ARMCHAIRS | Indoor
PAOLA NAVONE

The Ginevra collection, designed by Paola Navone, reinterprets the classic bergère, transforming it into a contemporary refuge, also available as a sofa to complete the series. A soft architecture of carefully orchestrated cushions creates a seating experience that, in both versions, embraces and supports with remarkable naturalness. Baxter leather reveals a spontaneous elegance that adapts to the forms, creating a landscape of authentic waves and folds. Every detail expresses freedom from formalism: from the swivel base of the armchair to the spaciousness of the sofa, up to the matching pouf. Ginevra is no longer just upholstered furniture, but a design system: a daily invitation to rediscover the pleasure of letting go, a distinctive element that elevates any contemporary interior with its welcoming presence.

Structure: structure in fir plywood.
Padding / Filling: padding in polyurethane foam with varying densities, microfibre padding with independent channel filling of different capacities, with an acrylic fibre coating.
Spring system: springs in woven elastic straps of covered rubber.

Available only in soft leathers and a unique kind of leather and colour.
