KARL

SOFAS AND ARMCHAIRS | Indoor
ROBERTO LAZZERONI

The Karl collection, composed of a loveseat and dormeuse, designed by Roberto Lazzeroni for Baxter, is an architecture that breathes, a form born from an organic development capable of dialoguing with the space. Its design is sculptural: a silhouette that evokes echoes of a distant past while transforming them into a synthesis of absolute modernity. Karl inhabits spaces with a defined presence that is never overwhelming; its measured proportions make it the perfect protagonist for intimate living areas — reading corners or revitalized corridors — as well as the cosmopolitan atmosphere of a hotel lobby or the reserved comfort of a suite. It is a piece with a soul, capable of transforming any room into an environment to be discovered.

Structure: frame in Chilean pine plywood.
Padding / Filling: padding in differentiated density polyurethane foam.
Spring system: springs in woven elastic straps of covered rubber.
Feet / Legs: adjustable feet.
Decoration: matching or contrasting decorative piping.

Upon request, both the interior and exterior can be made in two different types of leather/fabric or colors.
The profile follows the external upholstery.
The price is determined by the higher category with a 6% surcharge.
