AFRA

SOFAS AND ARMCHAIRS | Indoor
BAXTER P.

With the Afra armchair, Baxter redefines the concept of seating with armrests, elevating it to a design masterpiece entirely wrapped in the caress of leather. The project celebrates the meeting of the organic solidity of wood with the softness of the upholstery, creating a piece of furniture that combines comfort and contemplation. The ash frame, available in a natural finish that highlights its grain, or in the elegant depth of wenge stain, shapes sinuous curves that embrace the padded backrest. The armrest flows naturally, creating a visual continuity that invites relaxation. Afra's design achieves a perfect balance between sculptural presence and visual lightness, making it an element of timeless beauty capable of dialoguing with its surrounding space. Afra conveys a discreet and unmistakable elegance, reflecting the attention to detail that characterizes every creation signed by Baxter.

Structure: wooden structure with finish of choice.
Seat and backrest frame in birch plywood.
Padding / Filling: padding in differentiated density polyurethane foam with acrylic fibre cover.
Spring system: springs in woven elastic straps of covered rubber.

Available only in soft leathers and a unique kind of leather and colour.
