

EILEEN

SOFAS AND ARMCHAIRS | Outdoor
BAXTER P.

Eileen Outdoor, designed by Baxter P., is a modular system that transcends the boundaries between the sophisticated comfort of interiors and the freedom of outdoor living. This soft oasis of relaxation evolves to meet every living need: alongside the enveloping armchair and complementary pouf, the loveseat is introduced—a cozy and intimate seat designed for sharing moments of pure well-being. The metamorphic nature of Eileen remains the beating heart of the project: each module reveals its versatility through a simple movement of the backrest, transforming into an elegant daybed ready to welcome complete relaxation. Thanks to carefully studied proportions, Eileen Outdoor adapts naturally to any outdoor setting, from poolside areas to gardens. The aesthetic value is expressed through refined craftsmanship details: precious leather trims that follow the contours of the seating and the elegant metal structure testify to Baxter's design excellence. Eileen Outdoor is not just a collection

of upholstered pieces, but a fluid system where form and function merge in perfect harmony, celebrating the art of contemporary living with a distinctive character that dissolves the boundary between indoor and outdoor spaces.

Structure: internal structure in 304 stainless steel.

External structure in polished 316 stainless steel or satin brass.

Dark brown powder-coated 316 stainless steel base.

Padding / Filling: padding in polyurethane foam with varying densities, microfibre padding with independent channel filling of different capacities, with an acrylic fibre coating.

Spring system: outdoor springs in woven elastic straps of covered rubber.

Feet / Legs: adjustable feet.

Covering / Coating: removable upholstery.
