JASPER

SOFAS AND ARMCHAIRS | Indoor

DRAGA & AUREL

With the Jasper armchair by Draga & Aurel, design explores fiberglass as a vibrant and expressive material. The shell, with wide and generous proportions, forms a welcoming cocoon that houses a deep, soft leather seat. Here, the relationship between body and material becomes intimate; ergonomics meets tactility, offering sophisticated comfort. Jasper is not simply a design chair, but a true sensory refuge, a sculptural presence inhabiting the space with a unique expressive strength. Every detail conveys a balance between strength and delicacy: the rigid exterior shell protects the softness within, turning every moment of rest into an immersive experience of natural textures and enveloping forms.

Structure: structure in beech wood and birch plywood.
Fiberglass shell with finish of your choice.
Padding / Filling: padding in differentiated density polyurethane foam with acrylic fibre cover.
Spring system: springs in woven elastic straps of covered rubber.
Feet / Legs: adjustable feet.
Decoration: decorative piping.
