JONI LEATHER

ACCESSORIES | Indoor
CHRISTOPHE DELCOURT

Consisting of a credenza, bookcase and desk in solid oak and leather, the Joni furniture collection is ideal for a study free of restrictions and superstructures. The collection Christophe Delcourt has designed for Baxter is a perfect synthesis of solids and voids, fluid lines and rounded corners, which alternate and merge, playing around with the dualisms between symmetries and harmonious asymmetries: from the low cabinet, which serves as a storage element, to the spacious work surface, through to the modular freestanding bookcase.

Model: assembly required.

Structure: structure in plywood with brushed oak veneer stained in different colours.
