WEEKEND

ACCESSORIES | Indoor
FEDERICO PERI

The collaboration between Baxter and Federico Peri has led to the creation of an exceptional accessory for every bedroom, a piece that represents the perfect synthesis of design and functionality. Weekend is the evolution of the valet stand concept, an object with a simple, clean design reminiscent of the Bauhaus experience. It combines the large mirror with original integrated light points with functional elements such as the shelf and drawer unit (both upholstered in leather) with tubular metal structures designed for hanging clothes and accessories.

Structure: burnished metal tubular frame.
Leather-covered chest of drawers with top in burnished metal.
Drawer compartment frame in brushed oak stained in different colours.
Feet / Legs: revolving base in brushed oak stained in different colours.
Covering / Coating: leather-covered frame, shelf and back mirror.
Lighting: front, 2x 2700°K LED board – 24 Volt – 4W – 566 lumen each (1132 lumen total). Back, 2700°K LED board –
24 Volt – 4.5 W/m – 540 lumen. 110/240V – 24V power supply. Total lumens 1672.
